Empire Roofing
5301 Sun Valley Dr.
Fort Worth, TX 76119

Re: Empire Roofing Site Safety Record

To Whom it May Concern,

Empire Roofing's workers compensation experience mod of 0.25 is the lowest I have seen in my 35 years of experience in employee safety and workers compensation. It is not just luck. It is a testament to an exceptional commitment to employee safety.

David Fromm, President

American Safety Management, Inc.
